Kerr-ching!

For his much anticipated return to Edinburgh, following his widely-acclaimed show, *Let's Talk About Tax*, the world's only financial expert *and* comedian, **Dominic Frisby** has devised a new game show that mixes *The Price Is Right* with *Mastermind*. It's all about money, finance, economics – you know, boffin stuff and made exciting.

Contestants from the audience (willing volunteers only) can win fantastic prizes, which include £500 in cash – that's £500 every show – silver bullion, bitcoin cash and more, as they battle it out in quizzes and games from 'House Price Higher/Lower', 'Guess The Celebrity's Net Worth', 'Crack The Safe' and on through to high-pressure 'Money Mastermind' questions with the £500 jackpot at stake.

***Who is the richest person in the world?***

***Who said, "It costs a lot of money to look this cheap"?***

***Where do they drink the most alcohol per capita?  
Ireland, Scotland, Russia or France?***

Find out the answers to all of these and more. A classic game show full of fascinating financial facts. Exciting, intriguing and entertaining. What's not to like?

**'Funny, absorbing ... full of historical insights'**
