

Edinburgh Fringe 2025: Comedy

## Liz Guterbock: Nice

Southsider (Side Lounge)

August 2-24 (not 11 or 18) @ 7pm

**‘Emanates sweetness with added LA charm.’**

★★★★ Funny Women

California born British citizen and **Dave Joke of the Fringe Top 10 Liz Guterbock** is back – but her façade of American optimism is crumbling.

In her sophomore hour of stand-up comedy, Liz needs all her LA toxic positivity to remain nice despite the world increasingly being run by bullies. She’s in danger of swearing, but she’s not even sure she’d do it in the right accent. Americans say she sounds British. Brits say she sounds American. Liz thinks she might just sound like a jackass. Hold on...is that a swear?

Ahem. So, Liz will try - politely, of course - to avoid talking politics. She won’t even mention how, as a voiceover artist, she might be losing her dream job to AI. Instead, she’ll tell you about the nicest thing anyone has ever done for her and how she discovered that every single British person is wistful about the sea. Don’t you feel better already?

With her trademark blend of wry storytelling and California sunshine, Liz will shine a light on the absurdities of life as an American in Britain and keep you away from those dark thoughts you’ve been having about how the world might be ending. She’ll do anything to keep you distracted. Maybe even clowning. She’ll be f\*\*\*ing nice. Promise...

**‘A solidly funny hour of charming stand up.’ Fest**
